

Peace Adeniji

Frontend Developer

adenijayomide13@gmail.com

+2348139722966

Lagos, Nigeria

github.com/Ayomidemi

Front-End Engineer with more than 3 years of working experience in helping companies create and maintain a better code base for reusability. Capable of continuous learning from fellow developers while still nurturing junior developers. Experience in driving projects forward and facilitating projects from concept to launch. Passionate about learning and development with a desire to apply skills on a larger development team. Eager to tackle more complex problems and continue to find ways to maximise user efficiency.

WORK EXPERIENCE

Mobile Developer Team Lead TechBeaver

03/2022 - Present

Remote

Software Company

Achievements/Tasks

- Worked closely with a team of engineers and designers to build mobile apps and responsive web apps using cutting edge technologies such as React Native, Flutter, Next Js, iOS, Android, sanity.io, AWS, Firebase, CI/CD environment setup and development, docker, JIRA, machine learning, remote proctoring, JavaScript libraries and much more.
